Three out of three leaves smiles on faces of very talented team

AT THE Sunshine Coast Excellence in Business Awards, Shine Beauty has taken out the Lifestyle Services award again this year in 2011.

"It was our third entry and our third win, we are so proud of our girls, they deliver our beautiful treatments to our 40,000 customers each year," Shine Beauty owners Tania and Joel Turner said.

Tania and Joel both have exceptional business experience with Tania having spent 18 years in the beauty industry and Joel with 23 years in advertising and business.

Together they have an impressive blend of beauty, marketing and business expertise which enhances Shine Beauty.

Shine provides beauty treatment deals online, has a mobile version of its website for customers on the move and the Shine staff are regularly trained to ensure excellence of service, all of which provide a platform for business success.

"Shine is experiencing a strong growth year to date, with client numbers, sales and services all up for the year," Joel said.
